# INTERIM FINANCIAL REPORT FOR THE HALF-YEAR ENDED 31 December 2024

### Directors' Report

The Directors of Global Masters Fund Limited (the "Company") submit herewith their report together with the Interim Financial Report for the half-year ended 31 December 2024 and the Auditor's Independent Review Report thereon.

#### **DIRECTORS**

The following persons were Directors of the Company since 30 June 2024 and up to the date of this report, unless stated otherwise.

- Mr Murray d'Almeida (Chairman)
- Mrs Angela Obree
- Mr Jason Pohl

#### PRINCIPAL ACTIVITY

The principal activity of the Company is holding an investment in Berkshire Hathaway Inc on NYSE. In addition to Berkshire Hathaway, the Company has invested in a diversified global portfolio of investments.

#### MARKET COMMENTARY

In Australia, the ASX All Ordinaries has produced a modest return of 5.1% in the year to date. When looking globally, the MSCI Index in USD has produced 5.6% in the 6 months of the financial year and 17.0% in the 2024 Calander year, the IMF's recent statement on global growth challenges has proven particularly relevant to this performance. Ageing populations, insufficient investment, and stagnant productivity gains have emerged as significant barriers to sustained growth. Against this backdrop, investor attention converged on three critical themes:

- The enduring impact and growth potential of the Al revolution.
- Disinflation trends and their influence on central bank rate policies.
- The economic and geopolitical effects of President Trump's return to office.

Companies using AI reported tangible returns on investment, leveraging AI to enhance efficiency and strengthen their competitive advantage. From customer service innovations to proprietary machine learning models, AI has become a transformative force, underscoring a structural economic shift. Moreover, hyperscale cloud providers like Microsoft (NASDAQ: MSFT) have heavily invested in AI infrastructure, further driving adoption. While AI offers significant operational benefits, questions about its long-term scalability and broader impact continue to shape the conversation.

Easing inflationary pressures have allowed some central banks to cut rates, however this is yet to materialise in Australia. And, while this trend offers relief, underlying risks in energy markets and geopolitical tensions persist in keeping investors cautious.

Lastly, President Trump's return to power has reshaped the economic landscape, reigniting debates on ESG, globalization and market dynamics with promises of protectionist trade policies and fiscal reforms.

#### **REVIEW OF OPERATIONS**

Investment performance for the six months to December 2024 was positive 18.7%, compared to the MSCI Index in AUD increase of 13.8%. The price of Berkshire Hathaway Inc Class A shares (BRK A) in USD increased by 11.2% over the last 6 months, outperforming the MSCI Index in USD and the weakening of the Australian dollar over the period meant the AUD value of the BRK A shares increased by 19.9% in the last 6 months. GFL's investment in the ECP Global Growth Fund, our actively managed portfolio of international stocks, which commenced in March 2023, increased in value by 24.9% since June 2024.

Net Profit after Tax increased by \$219,382 compared to the prior period due to the improved performance from the UK Portfolio. Other Comprehensive Income increased on the prior year by \$6,026,034, this short-term win while impressive is not worth drawing too much attention to. The focus on long term capital growth is the most important metric of GFL and therefore the 10 year and since inception performance of 12.9% and 9.9% respectively are the key numbers worth highlighting to investors.

#### Portfolio Performance

	6 Mths to Dec 24	12 Mths to Dec 24	5 Years p.a.	10 Years p.a.	Since Inception p.a.
Global Masters Portfolio	18.7%	33.7%	14.5%	12.9%	9.9%
ASX All Ordinaries	5.1%	7.6%	4.4%	4.6%	2.6%
MSCI Index (AUD)	13.8%	28.8%	12.3%	11.1%	6.6%
MSCI Index (USD)	5.6%	17.0%	9.5%	8.1%	5.5%

#### **NET TANGIBLE ASSETS**

The NTA per share (tax on realised gains only) at 31 December 2024 was 517.0 cents compared with 422.8 cents at 30 June 2024 an increase of 22.3%. Portfolio performance (in AUD) equating to 100.8 cents per share has contributed to the increase after subtracting 4.7 cents per share for the Convertible Note expenses and 2.0 cents per share for the operating costs of the business. The goal of GFL is to achieve long term capital growth for shareholders which is delivered by NTA growth through time.

#### **DIVIDEND**

The Company has historically not paid dividends due to the major investment, Berkshire Hathaway, not yielding a dividend. For the half-year ending 31 December 2024 a dividend has not been declared.

#### **AUDITORS' INDEPENDENCE DECLARATION**

The Auditor's Independence Declaration under section 307C of the *Corporations Act 2001* is set out on page 3 and forms part of the Directors' Report for the half-year ended 31 December 2024.

#### NOTE 3 FAIR VALUE MEASUREMENTS

The following assets and liabilities are recognised and measured at fair value on a recurring basis:

- Financial Assets at fair value through Other Comprehensive Income (FVTOCI).
- Financial Assets at fair value through Profit or Loss (FVTPL).

In accordance with AASB13 Fair Value Measurement all assets and liabilities measured at fair value are assigned to a level in the fair value hierarchy as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included with level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices), and
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following table sets out the Company's assets and liabilities that are measured and recognised at fair value in the financial statements:

As at 30 June 2024	Level 1	Level 2	Level 3	TOTAL

#### Notes to the Condensed Financial Statements

For the half-year ended 31 December 2024

#### NOTE 3 FAIR VALUE MEASUREMENTS (continued)

The Company's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred.

Due to their short-term nature, the carrying amount of trade receivables and payables are assumed to approximate their fair values.

The carrying amount of current trade and other payables are assumed to approximate their fair values because the impact of discounting is not significant.

# INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF GLOBAL MASTERS FUND LIMITED

#### Conclusion

We have reviewed the half-year financial report of Global Masters Fund Limited (the company), which comprises the Condensed Statement of Financial Position as at 31 December 2024, the Condensed Statement of Profit or Loss and Other Comprehensive Income, the Condensed Statement of Changes in Equity and the Condensed Statement of Cash Flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the Directors' Declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Global Masters Fund Limited does not comply with the Corporations Act 2001, including:

- a) giving a true and fair view of Global Masters Fund Limited's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

#### **Basis for Conclusion**

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the corporations Act 2001 which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

#### Responsibility of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the company's financial position as at 31 December 2024 and its performance for the half-year ended on that date and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
